

## **Elk Valley Pride Festival Rainbow Connections Scavenger Hunt Clues**

- 1) Where our future begins their journey...these are the steps to inclusion and belonging!
- 2) I fly High, Bright and Proud! And below me is a centre full of smart educated individuals with their own personalities!
- 3) Recycle, Recycle, where should this be? I'm flashy and cornered near Victoria Street!
- 4) Where in the world would all our decisions be made for this amazing town of Fernie!
- 5) Colours of the Pride Flag Clues
  1. **Red.....represents Life.** Find something that we have many in our town but need to be cleared at this time of year, for critters might get to them first!
  2. **Orange..... represents Healing.** Healing happens everywhere, healing is needed everywhere! Hoping you can find some healing from this special place on Main Street!
  3. **Yellow..... represents sunlight!** Find a sun symbol and include something yellow with your picture!
  4. **Green..... represents Nature!** And nature also represents a fresh start! Put your team in order of youngest to oldest in the photo!
  5. **Blue....represents Harmony!** Now tune up your voices and try to harmonize the lines behind. *Some day we'll find it the rainbow connection, the lovers, the dreamers and me!*
  6. **Violet....represents Spirit!** Since 2010 Spirit Day is an annual LGBTQ+ awareness day and is also the colour worn to support LGBTQ+ youth who are victims of bullying. Find a no bullying slogan to add to your photo!

**When you have taken all your photos and video please send to [info@fernierpride.ca](mailto:info@fernierpride.ca) and we will share them on our social media.**

**We will post our winners on Monday, September 28 or earlier if possible.**

**Thanks for participating and remember, "Some day we'll find it, the rainbow connection, the lovers the dreamers, and *You!*"**
